

Sandy Plains Softball Association

IN-PARK TEAM SPONSOR APPLICATION

SPSA is a non-profit, volunteer organization that offers fast-pitch and slow-pitch softball to the girls of our community in a quality program of supervised athletics. Through the support provided by team sponsors and league boosters, we are able to acquire the necessary equipment, supplies, training and uniforms to keep these players on the field. For more information about Sandy Plains, or becoming one of our valued sponsors, please contact Greg Viland 404-849-4465
